

# The Global Strategic Framework in Support of the SSF Guidelines

## Advisory Group

- Promotes a coherent and participatory planning, implementation and monitoring of the SSF-G, in accordance with international Human Rights standards;
- Informs FAO on the the implementation work, and advises the KPS and the Friends in SSF-G related matters;
- Composed, following regional and gender balance, of organizations representing the SSF communities at global level and other relevant UN organizations: in December 2019, the AG is composed by 2 members of WFFP, 2 members of WFF, 1 member of IITC and 1 member of LVC, and are supported by one officer from IFAD and one from the OHCHR;

- Provide programmatic advice and guidance, including on future priorities, of the SSF Guidelines implementation to FAO and other interested actors
- Report to the FAO Committee of Fisheries (COFI) on the level of implementation of the SSF-G;
- Countries member of the FAO Committee of Fisheries (COFI) entering on a voluntary basis;
- In December, 5 countries were part of the Friends: Canada, Indonesia, Norway, Peru, Tanzania;

## Friends of the Guidelines

## Knowledge Sharing Platform

- An informal space for the other actors to support the achievement of the SSF-GSF (NGOs, academia, research institutes, regional organizations...);
- Support the Advisory Group and the Friends of the SSF-G with research, communication, capacity development, resource mobilization and other relevant activities

- The institutional guarantor of the SSF-G;
- Facilitates the work and the coordination among the other actors of the SSF-GSF;
- Regular consultation with the Advisory group;
- Prepare activities summaries and report to COFI on the status of the SSF-G;
